Summer months, mean doctor vacations, and slower patient loads. Time to focus on your Coding Education instead of just the daily grind of claims processing. We will give you the **ADVANCED TOOLS** to do just that!

This year, relax and let **Terry Fletcher Consulting, Inc.** AudioConference Quarterly Education do all that work and worry for you. **Terry Fletcher, BS, CPC, CCS-P, CCS, CMSCS, CMC, CPC-Cardio, CPC-E/M**, a nationally recognized coding and billing expert, will outline and explain **ALL** the Peripheral Coding and Billing processes changes you need to know.

Here's what you will learn:

- **CPT coding that affects a Cardiology Practices with Peripherals:** How to navigate through your CPT book and understand the coding process. How to use the correct codes and their **potential pitfalls**.
- **Whether payers will really pay for those new codes** — and billing techniques that will make them work for you.
- Get up to date on **2008 CCI Medicare changes**.
- Keep your superbill and medical necessity coding at the top of their game with **the latest ICD-9 changes that affect Cardiology/Peripheral**.
- Manage your **modifiers**, the keys to reimbursement.
- Another look at critical guidelines: **Heart Cath's with aortograms, Extremity Angios, PTA/Stent coding, Carotids, understanding the component coding process!**
- **PLUS: ALL NEW ADVACNED OPERATIVE REPORT CODING!!!!**

Bonus: You'll get FREE handouts to use as a reference during and after the conference, and the expert will answer your questions in a Q&A session. So relax, order in lunch, and **FOR ONE LOW PRICE**, invite all your coders, billers, and clinicians to tune up those coding skills that will impact your practice in 2008.

Your registration includes:

- **Risk-free enrollment!** Scheduling conflict? No problem! This session is also available on CD!
- **Expert answers** to your tough questions during the interactive Q&A period.

- **Complimentary attendee package**, including the speaker's complete presentation handouts. Keep this quick reference tool close by for future use!
- One low price for **all the staff** you can stuff into a conference room!
